Kunjungan Kerja ke China, Dirut PTPN III (Persero) Bahas Kerja Sama Strategis dan Ekspansi Investasi Basic International Investment Pte Ltd. di KEK Sei Mangkei

Working Visit to China, President Director of PTPN III (Persero) Discusses Strategic Cooperation and Investment Expansion Basic International Investment Pte Ltd. in the Sei Mangkei Special Economic Zone

Direktur Utama Holding Perkebunan Nusantara PTPN III (Persero), Mohammad Abdul Ghani, melakukan kunjungan kerja ke China untuk membahas potensi kerja sama strategis dengan Basic International Investment Pte Ltd. Pertemuan yang berlangsung pada Kamis, 9 Januari 2025 tersebut fokus pada rencana investasi bisnis di Kawasan Ekonomi Khusus (KEK) Sei Mangkei, Sumatera Utara. Selain membahas investasi pabrik sarung tangan, diskusi juga mencakup potensi kerja sama pembangunan pembangkit listrik dari Energi Baru Terbarukan (EBT) berbasis biomassa. Pembangkit ini nantinya akan memasok kebutuhan listrik KEK Sei Mangkei serta masyarakat sekitar, mendukung transformasi kawasan tersebut menjadi Kawasan Green Industry.

The President Director of the Holding Perkebunan Nusantara, Mohammad Abdul Ghani, conducted a working visit to China to discuss potential strategic cooperation with Basic International Investment Pte Ltd. The meeting, which took place on Thursday, January 9, 2025, focused on business investment plans in the Sei Mangkei Special Economic Zone (SEZ), North Sumatra. In addition to discussing investment in a glove factory, the discussion also covered the potential for collaboration in the construction of a biomass-based New and Renewable Energy (NRE) power plant. This plant will supply the electricity needs of the Sei Mangkei SEZ and the surrounding community, supporting the area's transformation into a Green Industry Zone.

PTPN III (Persero) Gaet Investor China, Kembangkan Industri Sarung Tangan dan Peralatan Medis di KEK Sei Mangkei

PTPN III (Persero) Attracts Chinese Investors to Develop Glove and Medical Equipment Industry in Sei Mangkei Special Economic Zone

Holding Perkebunan Nusantara melalui anak usahanya, PT Kawasan Industri Nusantara (PT KINRA), menandatangani perjanjian investasi Industri Sarung Tangan dan Peralatan Medis Asal China di Kawasan Ekonomi Khusus (KEK) Sei Mangkei, Sumatera Utara. Investasi senilai USD 297 juta atau setara Rp4-5 triliun itu akan difokuskan pada pengembangan industri peralatan medis dan produksi sarung tangan.

Penandatanganan perjanjian ini merupakan tindak lanjut dari kunjungan Direktur Utama PTPN III (Persero), Mohammad Abdul Ghani, ke China pada Januari 2025. Kerja sama ini bertujuan mempercepat pengembangan industri kesehatan di Indonesia, membuka lapangan kerja, serta meningkatkan daya saing industri dalam negeri di sektor peralatan medis dan perlengkapan kesehatan.

Holding Perkebunan Nusantara, through its subsidiary, PT Kawasan Industri Nusantara (PT KINRA), signed an investment agreement for a Chinese-made glove and medical equipment industry in the Sei Mangkei Special Economic Zone (SEZ), North Sumatra. The investment, valued at USD 297 million, equivalent to IDR 4-5 trillion, will focus on developing the medical equipment industry and glove production.

The signing of this agreement follows the visit of PTPN III (Persero) President Director Mohammad Abdul Ghani to China in January 2025. This collaboration aims to accelerate the development of the healthcare industry in Indonesia, create jobs, and increase the competitiveness of the domestic industry in the medical equipment and healthcare supplies sector.

Gelar Seminar Nasional, PTPN Bahas Masa Depan dan Peran Strategis Kelapa Sawit Menuju Indonesia Emas 2045

Holding a National Seminar, PTPN Discusses the Future and Strategic Role of Palm Oil Towards a Golden Indonesia 2045

Industri kelapa sawit memiliki peran strategis dalam perekonomian Indonesia, dengan kontribusi signifikan terhadap Produk Domestik Bruto (PDB), penciptaan lapangan kerja, serta ekspor ke pasar global. Dalam upaya memperkuat sektor ini, Holding Perkebunan Nusantara, PT Riset Perkebunan Nusantara (PT RPN), dan Palm Oil Agribusiness Strategic Policy Institute (PASPI) menyelenggarakan Seminar Nasional "Peran Strategis Kelapa Sawit Menuju Indonesia Emas 2045" di The Sultan Hotel & Residence, Jakarta.

Seminar ini menghadirkan berbagai pemangku kepentingan industri kelapa sawit, mulai dari pemerintah, pelaku usaha, akademisi, serta lembaga riset. Salah satu yang dibahas dalam agenda ini adalah strategi dan kebijakan yang diperlukan untuk memastikan keberlanjutan industri ini dalam mendukung visi Indonesia Emas 2045.

The palm oil industry plays a strategic role in the Indonesian economy, contributing significantly to Gross Domestic Product (GDP), job creation, and exports to global markets. In an effort to strengthen this sector, Holding Perkebunan Nusantara PTPN III (Persero), PT Riset Perkebunan Nusantara (PT RPN), and the Palm Oil Agribusiness Strategic Policy Institute (PASPI) held a National Seminar on "The Strategic Role of Palm Oil Towards a Golden Indonesia 2045" at The Sultan Hotel & Residence, Jakarta.

The seminar brought together various stakeholders in the palm oil industry, including government officials, business players, academics, and research institutions. Among the topics discussed were the strategies and policies needed to ensure the sustainability of the industry in support of the Golden Indonesia 2045 vision.

Dukung Keterjangkauan Harga Gula Jelang Hari Raya, PTPN-SGN Gerojok Operasi Pasar 43 Ribu Ton Gula dengan Harga di Bawah HET

Supporting Sugar Affordability Ahead of Eid, PTPN-SGN Conducts Market Operations Selling 43,000 Tons of Sugar at Prices Below the Highest Retail Price (HET)

Holding Perkebunan PTPN III (Persero) melalui anak perusahaan yang bergerak di komoditas gula mendukung program pemerintah menjaga keterjangkauan harga pangan menjelang hari besar dan keagamaan dengan menggelar pasar murah produk perkebunan. Hal ini disampaikan Mahmudi Direktur Utama SGN seusai meninjau stand pasar murah SGN di jalan jembatan merah Surabaya.

PT SGN menyediakan lebih dari 43 ribu ton gula konsumsi untuk kegiatan operasi pasar yang digelar di 4.500 gerai PT POS Indonesia, selain itu juga dilakukan pasar murah di beberapa wilayah pabrik gula yang dikelola SGN. Gula dijual dengan harga Rp15ribu per kilogram dan minyak goreng dengan harga Rp14.700 per liternya.

Plantation Holding PTPN III (Persero), through its sugar subsidiary, is supporting the government's program to maintain affordable food prices ahead of religious holidays by holding a low-price market for plantation products. This was conveyed by Mahmudi, President Director of SGN, after inspecting the SGN low-price market stand on Jalan Jembatan Merah, Surabaya.

PT SGN provided more than 43,000 tons of consumer sugar for the market operation, which was held at 4,500 PT POS Indonesia outlets. The low-price market was also held at several sugar factories managed by SGN. Sugar was sold at Rp 15,000 per kilogram and cooking oil at Rp 14,700 per liter

Dukung Pemulihan Pasca Banjir, PTPN Group Salurkan Bantuan Langsung Kepada Masyarakat Terdampak

Supporting Post-Flood Recovery, PTPN Group Distributes Direct Aid to Affected Communities

Curah hujan tinggi yang mengguyur wilayah Jakarta dan sekitarnya dalam beberapa waktu terakhir menyebabkan banjir di sejumlah titik, mengakibatkan ribuan warga terdampak. Merespons kondisi ini, Holding Perkebunan Nusantara (PTPN Group) melalui program Tanggung Jawab Sosial dan Lingkungan (TJSL) bergerak cepat menyalurkan bantuan bagi masyarakat yang membutuhkan.

Bantuan diberikan di beberapa wilayah terdampak, salah satunya di kawasan Rawa Jati, Jakarta Selatan, pada Jumat, 7 Maret 2025. Bantuan yang disalurkan mencakup peralatan kebersihan, air mineral, serta makanan siap konsumsi seperti mie instan, susu, dan crackers, termasuk makanan berbuka puasa bagi warga yang menjalankan ibadah di bulan Ramadan.

The heavy rainfall that has inundated Jakarta and its surrounding areas in recent months has caused flooding in several areas, affecting thousands of residents. Responding to this situation, the Holding Perkebunan Nusantara, through its Social and Environmental Responsibility (TJSL) program, moved quickly to distribute aid to those in need.

Aid was provided in several affected areas, including the Rawa Jati area of South Jakarta, on Friday, March 7, 2025. The aid distributed included cleaning supplies, mineral water, and ready-to-eat food such as instant noodles, milk, and crackers, including iftar meals for residents observing Ramadan.

Terima Kunjungan Kerja Komisi VI DPR RI, PTPN Group Tegaskan Komitmen Transformasi Industri Perkebunan Terintegrasi dan Berkelanjutan

Receiving a Working Visit from Commission VI of the Indonesian House of Representatives, PTPN Group Affirms Commitment to Integrated and Sustainable Plantation Industry Transformation

PT Perkebunan Nusantara Group berkomitmen untuk terus mengukuhkan perannya sebagai motor penggerak transformasi sektor perkebunan nasional dalam ekosistem BUMN. Hal ini disampaikan Direktur Utama Holding Perkebunan Nusantara, Mohammad Abdul Ghani, dalam kunjungan kerja Komisi VI DPR RI ke Kantor PT Sinergi Gula Nusantara (SGN), Subholding PTPN Group, di Surabaya, Jawa Timur, sebagai bagian dari agenda Reses Masa Sidang bertema "Pengembangan Sektor Perkebunan dan Kehutanan oleh Ekosistem BUMN", Rabu 9 April 2025.

Turut hadir dalam kunjungan ini, antara lain Ketua Tim Kunjungan Kerja Komisi VI DPR RI Eko Hendro Purnomo, Asisten Deputi Bidang Jasa Keuangan sekaligus Plt. Asisten Deputi Jasa Infrastruktur Kementerian BUMN Bin Nahadi, serta jajaran pimpinan dari anak perusahaan, yakni Direktur Utama PTPN I Teddy Yunirman Dannas, Direktur Utama PT SGN Mahmudi, dan Direktur Utama PTPN IV Jatmiko Santosa.

PT Perkebunan Nusantara Group is committed to continuing to strengthen its role as a driving force for the transformation of the national plantation sector within the state-owned enterprise (SOE) ecosystem. This was conveyed by the President Director of Holding Perkebunan Nusantara, Mohammad Abdul Ghani, during a working visit by Commission VI of the Indonesian House of Representatives to the office of PT Sinergi Gula Nusantara (SGN), a PTPN Group subholding, in Surabaya, East Java, as part of the Session Period Recess agenda themed "Development of the Plantation and Forestry Sectors by the SOE Ecosystem," Wednesday (April 9, 2025).

Also present during the visit were the Chairman of the Commission VI Working Visit Team, Eko Hendro Purnomo; the Assistant Deputy for Financial Services and Acting Assistant Deputy for Infrastructure Services at the Ministry of SOEs, Bin Nahadi; and the leadership of subsidiaries, namely the President Director of PTPN I, Teddy Yunirman Dannas; the President Director of PT SGN Mahmudi, and President Director of PTPN IV Jatmiko Santosa.

Perkuat Data Statistik Perkebunan, PTPN III (Persero) dan BPS Jalin Kerja Sama Strategis

Strengthening Plantation Statistical Data, PTPN III (Persero) and BPS Establish Strategic Partnership

Holding Perkebunan Nusantara PTPN III (Persero) menjalin kerja sama strategis dengan Badan Pusat Statistik (BPS) RI melalui penandatanganan Perjanjian Kerja Sama (PKS) tentang "Pertukaran, Penyediaan, Pemanfaatan Data dan/atau Informasi Statistik dan Pengembangan Data Statistik Tanaman Perkebunan".

Perjanjian kerja sama tersebut ditandatangani oleh Direktur Pemasaran, Plt. Direktur Produksi dan Pengembangan PTPN III (Persero), Dwi Sutoro dan Plt. Sekretaris Utama, Moh Edy Mahmud dihadapan Kepala BPS RI, Amalia Adininggar Widyasanti dan Wakil Kepala BPS RI, Sonny Harry Budiutomo Harmadi di Ballroom Gedung 1, BPS Pusat, Jakarta, pada Rabu 21 Mei 2025.

Penandatanganan kerja sama ini merupakan bagian dari upaya membangun sinergi antara BUMN perkebunan dengan lembaga statistik nasional. Hal itu dilakukan untuk mendorong ketersediaan data yang akurat dan relevan guna mendukung pembangunan sektor agribisnis dan perkebunan di Indonesia.

PTPN III (Persero) has established a strategic partnership with the Indonesian Central Statistics Agency (BPS) through the signing of a Cooperation Agreement (PKS) on "Exchange, Provision, Utilization of Statistical Data and/or Information, and Development of Plantation Crop Statistical Data."

The cooperation agreement was signed by the Marketing Director, Acting Director of Production and Development of PTPN III (Persero), Dwi Sutoro, and Acting Chief Secretary, Moh Edy Mahmud, in the presence of the Head of BPS RI, Amalia Adininggar Widyasanti, and the Deputy Head of BPS RI, Sonny Harry Budiutomo Harmadi, in the Ballroom of Building 1, BPS Headquarters, Jakarta, on Wednesday (May 21, 2025).

The signing of this cooperation agreement is part of an effort to build synergy between state-owned plantation companies and the national statistics agency. This is done to encourage the availability of accurate and relevant data to support the development of the plantation sector. agribusiness and plantations in Indonesia.

Wapres Gibran Tinjau Panen Raya Tebu dan Program Swasembada Gula di Kebun Jolondoro Banyuwangi

Vice President Gibran Inspects Sugarcane Harvest and Sugar Self-Sufficiency Program at Jolondoro Plantation in Banyuwangi

Wakil Presiden Republik Indonesia, Gibran Rakabuming Raka, melakukan Kunjungan Kerja ke Kebun Tebu Jolondoro di Banyuwangi, Jawa Timur, milik PTPN Group, pada 23 Juni 2025. Kunjungan bertajuk "Menuju Swasembada Gula Nasional & Ketahanan Energi" ini bertujuan mendukung program swasembada gula nasional.

Kebun Tebu Jolondoro dikelola oleh Manajemen KSO antara PT Sinergi Gula Nusantara (SGN) dan PTPN I. Di area seluas 802,89 hektare tersebut, dilaksanakan Panen Raya Tebu Bersama dan Tanam Tebu Perdana Masa Tanam 2025/2026. Wakil Presiden juga menyapa petani tebu dari seluruh Indonesia secara daring dan menyalurkan bantuan simbolis berupa Kredit Usaha Rakyat (KUR) khusus petani tebu, serta bantuan pompa air Irigasi Manis.

Direktur Utama Holding Perkebunan Nusantara Denaldy Mulino Mauna, menyampaikan bahwa peningkatan kinerja produktivitas dan keterlibatan petani dalam sistem kemitraan adalah bentuk nyata transformasi bisnis perkebunan yang lebih inklusif dan berbasis keberlanjutan.

The Vice President of the Republic of Indonesia, Gibran Rakabuming Raka, paid a working visit to the Jolondoro Sugarcane Plantation in Banyuwangi, East Java, owned by PTPN Group, on June 23, 2025. The visit, titled "Towards National Sugar Self-Sufficiency & Energy Security," aimed to support the national sugar self-sufficiency program.

The Jolondoro Sugarcane Plantation is managed by a Joint Operation Management (KSO) between PT Sinergi Gula Nusantara (SGN) and PTPN I. The 802.89-hectare area featured a Joint Sugarcane Harvest and the First Sugarcane Planting of the 2025/2026 Planting Season. The Vice President also met sugarcane farmers from across Indonesia online and distributed symbolic aid in the form of People's Business Credit (KUR) specifically for sugarcane farmers and Manis irrigation water pumps.

President Director of Holding Perkebunan Nusantara, Denaldy Mulino Mauna stated that improving productivity and farmer involvement in the partnership system are concrete manifestations of the transformation of the plantation business to a more inclusive and sustainable one.

Panen Raya Kopi Ijen PTPN Group, Wapres RI Apresiasi Ekosistem Petani Rakyat Berkelanjutan di Bondowoso

PTPN Group's Ijen Coffee Harvest: Indonesian Vice President Appreciates Sustainable Smallholder Farmer Ecosystem in Bondowoso

Wakil Presiden Republik Indonesia, Gibran Rakabuming Raka, melanjutkan kunjungan kerjanya ke kawasan perkebunan kopi Ijen di Bondowoso yang dikelola PTPN dan Perhutani, pada Selasa 24 Juni 2025.

Kunjungan ini merupakan bagian dari implementasi Asta Cita Prabowo-Gibran, terutama dalam memperkuat UMKM dan meningkatkan daya saing produk lokal di pasar global. Selain itu, kegiatan ini juga menegaskan dukungan pemerintah pusat terhadap pengembangan sektor perkebunan, khususnya kopi sebagai salah satu komoditas utama Indonesia di pasar internasional.

Dalam kegiatan bertajuk "Panen Raya Bersama Masyarakat Petani Kopi Ijen", Wapres melakukan panen dan sortasi kopi secara langsung, hingga berdialog dengan petani kopi. Dalam kegiatan itu, Wapres juga menyerahkan bantuan sembako dan hewan ternak kambing yang disalurkan oleh PTPN.

The Vice President of the Republic of Indonesia, Gibran Rakabuming Raka, continued his working visit to the Ijen coffee plantation area in Bondowoso, managed by PTPN and Perhutani, on Tuesday (June 24, 2025).

This visit is part of the implementation of the Prabowo-Gibran Asta Cita (Asta Cita) program, particularly in strengthening MSMEs and increasing the competitiveness of local products in the global market. Furthermore, this activity also reaffirmed the central government's support for the development of the plantation sector, particularly coffee, one of Indonesia's main commodities in the international market.

In the activity titled "A Grand Harvest with the Ijen Coffee Farming Community," the Vice President personally harvested and sorted coffee and engaged in dialogue with coffee farmers. During the event, the Vice President also handed over basic food supplies and goats distributed by PTPN.

Bangun PLTS di KEK Sei Mangkei, PTPN III (Persero) dan PNRE Perluas Komitmen Energi Terbarukan

Building Solar Power Plants in the Sei Mangkei Special Economic Zone (SEZ), PTPN III (Persero) and PNRE Expand Renewable Energy Commitment

Holding Perkebunan Nusantara, bersama Pertamina New & Renewable Energy (Pertamina NRE), kembali membuat langkah strategis dalam transisi energi melalui pengembangan Pembangkit Listrik Tenaga Surya (PLTS) berkapasitas 3 MW di Kawasan Ekonomi Khusus (KEK) Sei Mangkei, Sumatera Utara.

Proyek ini direalisasikan melalui Perjanjian Kerja Sama Pengembangan Energi Baru Terbarukan yang ditandatangani oleh Direktur Bisnis Holding Perkebunan Nusantara, Ryanto Wisnuardhy dan CEO Pertamina NRE, John Anis. Agenda tersebut juga disaksikan langsung oleh Direktur Utama PTPN III (Persero) Denaldy Mulino Mauna dan Wadirut Pertamina Oky Muraza, di Jakarta, pada Senin 07 Juli 2025.

Holding Perkebunan Nusantara, together with Pertamina New & Renewable Energy (Pertamina NRE), has again taken a strategic step in the energy transition by developing a 3 MW Solar Power Plant (PLTS) in the Sei Mangkei Special Economic Zone (SEZ), North Sumatra.

This project was realized through a New and Renewable Energy Development Cooperation Agreement signed by the Business Director of Holding Perkebunan Nusantara, Ryanto Wisnuardhy, and the CEO of Pertamina NRE, John Anis. The event was also witnessed by the President Director of PTPN III (Persero), Denaldy Mulino Mauna, and the Deputy President Director of Pertamina, Oky Muraza, in Jakarta on Monday July 7, 2025.

Dukung Gerakan Pangan Murah, PTPN Group Siap Distribusikan Beras SPHP di 300 Titik Seluruh Indonesia

Support the Movement Affordable Food, PTPN Group Ready to Distribute SPHP Rice to 300 Locations Across Indonesia

Holding Perkebunan Nusantara mendukung penuh langkah Pemerintah dalam menjaga stabilitas harga dan pasokan pangan nasional melalui partisipasinya dalam program Gerakan Pangan Murah (GPM). Program ini menyasar distribusi beras Stabilisasi Pasokan dan Harga Pangan (SPHP) langsung ke masyarakat di berbagai wilayah Indonesia.

Melalui koordinasi bersama Perum Bulog dan Kementerian Pertanian, PTPN mendapat amanah untuk mendistribusikan beras SPHP di 300 titik, termasuk melalui Kantor Regional dan unit-unit usaha PTPN I, PTPN IV serta PT Sinergi Gula Nusantara (SGN). Tahap pertama program rencananya dimulai pada 18 Juli 2025, dengan peluncuran di 20 titik awal yang tersebar di berbagai wilayah strategis, dan akan dilanjutkan secara bertahap hingga mencapai target nasional.

Holding Perkebunan Nusantara fully supports the government's efforts to maintain national food price and supply stability through its participation in the Affordable Food Movement (GPM) program. This program targets the distribution of Food Supply and Price Stabilization (SPHP) rice directly to communities across Indonesia.

In coordination with the State Logistics Agency (Bulog) and the Ministry of Agriculture, PTPN has been entrusted to distribute SPHP rice to 300 locations, including through Regional Offices and business units of PTPN I, PTPN IV, and PT Sinergi Gula Nusantara (SGN). The first phase of the program is planned to begin on July 18, 2025, with a rollout at 20 initial locations across various strategic areas. This will be continued in stages until the national target is reached.

Kolaborasi PTPN IV Lawan Stunting di Serdang Bedagai: Dari Rumah Layak hingga Nutrisi untuk Generasi Sehat

Support the Movement Affordable Food, PTPN Group Ready to Distribute SPHP Rice to 300 Locations Across Indonesia

Upaya menekan angka stunting kembali diperkuat lewat Gerakan Orang Tua Asuh Cegah Stunting (GENTING) yang digelar di Desa Seibamban, Kabupaten Serdang Bedagai. Program ini menjadi cermin nyata dari sinergi antara berbagai elemen: Sub Holding PTPN III (Persero) PTPN IV PalmCo, pemerintah daerah, Kementerian Pemberdayaan Perempuan dan Perlindungan Anak (Kemendukbangga), hingga masyarakat setempat.

Direktur Utama PTPN IV PalmCo, Jatmiko K. Santosa, menegaskan komitmen perusahaan bukan sekadar memberikan bantuan, melainkan menanam investasi sosial jangka panjang demi masa depan anak-anak dan keluarga di kawasan itu. "Ini bukan sekadar program bantuan, tapi wujud tanggung jawab sosial kami terhadap lingkungan dan masyarakat," ujar Jatmiko dalam siaran pers Rabu 17 September 2025 di Jakarta.

Efforts to reduce stunting rates were further strengthened through the Foster Parents to Prevent Stunting Movement (GENTING), held in Seibamban Village, Serdang Bedagai Regency. This program demonstrates the synergy between various elements: PTPN III (Persero) Sub-Holding PTPN IV PalmCo, the local government, the Ministry of Women's Empowerment and Child Protection (Kemendukbangga), and the local community.

PTPN IV PalmCo President Director, Jatmiko K. Santosa, emphasized that the company's commitment goes beyond providing aid, but also toward making long-term social investments for the future of children and families in the area. "This is not just an aid program, but a manifestation of our social responsibility to the environment and the community," Jatmiko said in a press release on Wednesday (September 17, 2025) in Jakarta.

Lewat TEI 2025, PTPN Group Gaet 22 Mitra Strategis untuk Dorong Ekspor Komoditas Unggulan

Through TEI 2025, PTPN Group Secures 22 Strategic Partners to Boost Exports of Leading Commodities

Holding Perkebunan Nusantara terus berupaya memperkuat perannya untuk meningkatkan daya saing komoditas nasional di pasar global. Pada ajang Trade Expo Indonesia (TEI) 2025 yang diselenggarakan oleh Kementerian Perdagangan Republik Indonesia di Indonesia Convention Exhibition (ICE) BSD City, Tangerang, PTPN Group menandatangani sebanyak 23 Memorandum of Understanding (MoU) yang terdiri dari 22 perusahaan mitra strategis, termasuk sejumlah perusahaan asal Jepang dan Singapura.

Penandatanganan kerja sama tersebut meliputi pengembangan usaha di berbagai lini komoditas unggulan PTPN Group, seperti kelapa sawit, karet, gula, teh, kopi, hingga tembakau dan produk turunannya.

Direktur Utama Holding Perkebunan Nusantara, Denaldy Mulino Mauna, mengatakan bahwa keikutsertaan PTPN Group dalam ajang TEI 2025 menjadi momentum penting untuk memperluas jaringan pasar dan meningkatkan ekspor produk perkebunan bernilai tambah.

Holding Perkebunan Nusantara continues to strengthen its role in increasing the competitiveness of national commodities in the global market. At the Trade Expo Indonesia (TEI) 2025, organized by the Ministry of Trade of the Republic of Indonesia at the Indonesia Convention Exhibition (ICE) BSD City, Tangerang, PTPN Group signed 23 Memoranda of Understanding (MoUs) with 22 strategic partner companies, including several companies from Japan and Singapore.

The collaboration agreements cover business development across PTPN Group's leading commodity sectors, such as palm oil, rubber, sugar, tea, coffee, tobacco, and their derivatives.

The President Director of Holding Perkebunan Nusantara, Denaldy Mulino Mauna, stated that PTPN Group's participation in TEI 2025 is a crucial opportunity to expand its market network and increase exports of value-added plantation products.

Dukung Transisi Energi Bersih PLTBg Sei Mangkei Raih Sertifikat Pengurangan Emisi dari KLH

Supporting the Clean Energy Transition, the Sei Mangkei Biogas Power Plant Receives an Emission Reduction Certificate from the Ministry of Environment and Forestry

PTPN III (Persero) dan Pertamina New & Renewable Energy (Pertamina NRE), kembali menorehkan capaian nyata dalam perjalanan menuju ekonomi hijau nasional.

Kementerian Lingkungan Hidup (KLH) resmi menerbitkan Sertifikat Pengurangan Emisi Gas Rumah Kaca (SPE-GRK) untuk Pembangkit Listrik Tenaga Biogas (PLTBg) Sei Mangkei. Proyek ini berhasil menurunkan emisi sebesar 35.475 ton CO_2e, setara dengan emisi tahunan lebih dari 8 ribu mobil bensin atau penanaman 570 ribu pohon.

PTPN III (Persero) and Pertamina New & Renewable Energy (Pertamina NRE) have again achieved tangible results on the path to a national green economy.

The Ministry of Environment and Forestry (KLH) has officially issued a Greenhouse Gas Emission Reduction Certificate (SPE-GRK) for the Sei Mangkei Biogas Power Plant (PLTBg). This project has successfully reduced emissions by 35,475 tons of CO_2e, equivalent to the annual emissions of more than 8,000 gasoline-powered cars or the planting of 570,000 trees.

Kolaborasi Kementan dan Holding Perkebunan Nusantara Perkuat Ketahanan Pangan Korban Banjir

Collaboration between the Ministry of Agriculture and the Holding Perkebunan Nusantara Strengthens Food Security for Flood Victims

Kementerian Pertanian Republik Indonesia melepas bantuan kemanusiaan bagi korban bencana banjir di sejumlah wilayah Sumatera yang terjadi sejak 23 November 2025 dan menyebabkan terisolasinya beberapa daerah serta lumpuhnya aktivitas masyarakat. Pelepasan bantuan dipimpin langsung oleh Menteri Pertanian Republik Indonesia dan dilaksanakan di Lobi Auditorium Gedung F, Kantor Pusat Kementerian Pertanian, Ragunan, Jakarta Selatan.

Bantuan kemanusiaan tersebut dihimpun dari berbagai unit kerja, mitra, serta pelaku usaha di sektor pertanian sebagai wujud kepedulian untuk meringankan beban masyarakat terdampak. Salah satu dukungan signifikan datang dari PT Sinergi Gula Nusantara (PT SGN), entitas di bawah Holding Perkebunan Nusantara, yang menyalurkan bantuan berupa tujuh truk Gula Kristal Putih (GKP) dan tiga truk makanan siap saji sebagai respons cepat terhadap kondisi darurat di lapangan.

The Indonesian Ministry of Agriculture distributed humanitarian aid to victims of the floods in several areas of Sumatra, which began on November 23, 2025, isolating several areas and paralyzing community activities. The distribution of aid was led by the Minister of Agriculture and held in the Auditorium Lobby of Building F, Ministry of Agriculture Headquarters in Ragunan, South Jakarta.

The humanitarian aid was collected from various work units, partners, and businesses in the agricultural sector as a form of concern to ease the burden on affected communities. One significant support came from PT Sinergi Gula Nusantara (PT SGN), an entity under the Holding Perkebunan Nusantara, which distributed aid in the form of seven trucks of White Crystal Sugar (GKP) and three trucks of ready-to-eat food as a rapid response to the emergency situation on the ground.

Langkah Cepat BUMN Peduli! Danantara dan PTPN III Pacu Distribusi Bantuan ke Aceh Tengah

SOEs Care Quickly! Danantara and PTPN III Accelerate Aid Distribution to Central Aceh

Keluarga besar BUMN melalui BUMN Peduli hadir di Aceh, bergerak cepat dan bekerja bersama untuk memastikan bantuan sampai dan tepat sasaran. Aksi kemanusiaan yang tulus ini dijalankan secara sinergis oleh BUMN Peduli di bawah koordinasi Danantara Indonesia, yang memfasilitasi kolaborasi solid untuk respons cepat di wilayah terdampak bencana.

Sebagai wujud nyata sinergi dan kecepatan BUMN dalam penanganan bencana di Sumatera, Danantara Indonesia mengkoordinir mobilisasi sumber daya dan relawan dari 11 BUMN yang dengan penuh kesadaran untuk turut serta. Tim relawan PTPN III (Persero) telah diberangkatkan dari Jakarta pada Rabu 17 Desember 2025 menuju lokasi terdampak.

Sebanyak 21 relawan yang berasal dari PTPN Group, yaitu Holding Perkebunan Nusantara bersama Sub Holding PTPN I dan PTPN IV bergabung dengan relawan regional di Aceh untuk memperkuat aksi di lapangan.

The extended family of SOEs, through SOEs Care, is present in Aceh, moving quickly and working together to ensure aid reaches its intended recipients. This sincere humanitarian action is being carried out synergistically by SOEs Care under the coordination of Danantara Indonesia, which facilitates solid collaboration for a rapid response in disaster-affected areas.

As a concrete manifestation of the synergy and speed of SOEs in disaster management in Sumatra, Danantara Indonesia is coordinating the mobilization of resources and volunteers from 11 SOEs who have wholeheartedly participated. A team of volunteers from PTPN III (Persero) departed from Jakarta on Wednesday, December 17, 2025 to the affected areas.

A total of 21 volunteers from the PTPN Group, namely Holding Perkebunan Nusantara, along with Sub-Holdings PTPN I and PTPN IV, joined regional volunteers in Aceh to strengthen the action on the ground.

ANRI, BSSN, dan PTPN III Perkuat Sinergi Kearsipan dan Keamanan Siber

ANRI, BSSN, and PTPN III Strengthen Synergy in Archives and Cybersecurity

Arsip Nasional Republik Indonesia (ANRI) menandatangani Nota Kesepahaman (MoU) dengan Badan Siber dan Sandi Negara (BSSN) serta PTPN III (Persero) sebagai upaya memperkuat sinergi penyelenggaraan kearsipan nasional yang aman, andal, dan berkelanjutan. Penandatanganan berlangsung di Ruang Serbaguna Noerhadi Magetsari, Gedung C Lantai 2 ANRI, Jakarta Selatan. Kegiatan ini dihadiri Kepala ANRI Mego Pinandito, Kepala BSSN Nugroho Sulistyo Budi, serta Direktur Keuangan dan Aset PTPN III Agung Setya Imam Effendi, bersama jajaran pimpinan di lingkungan ANRI, BSSN, dan PTPN III.

Dalam sambutannya, Kepala ANRI, Mego Pinandito menegaskan bahwa kerja sama dengan BSSN menjadi langkah strategis dalam menjamin keamanan arsip negara, khususnya di tengah percepatan transformasi digital pemerintahan. Menurutnya, fungsi BSSN dalam pengamanan informasi negara memiliki irisan kuat dengan tugas ANRI dalam penyelamatan, pelestarian, dan pelindungan arsip yang memuat berbagai rahasia negara dari masa ke masa. “Sinergi kelembagaan ini diharapkan mampu menciptakan pola kerja yang terpadu, terarah, dan berkesinambungan dalam pengelolaan arsip serta penguatan keamanan siber dan sandi,” ujar Mego.

The National Archives of the Republic of Indonesia (ANRI) signed a Memorandum of Understanding (MoU) with the National Cyber and Crypto Agency (BSSN) and PTPN III (Persero) as an effort to strengthen synergy in the implementation of a secure, reliable, and sustainable national archives system. The signing took place in the Noerhadi Magetsari Multipurpose Room, 2nd Floor, Building C, ANRI, South Jakarta. The event was attended by the Head of ANRI Mego Pinandito, the Head of BSSN Nugroho Sulistyo Budi, and the Director of Finance and Assets of PTPN III Agung Setya Imam Effendi, along with leadership from ANRI, BSSN, and PTPN III.

In his remarks, the Head of ANRI, Mego Pinandito, emphasized that the collaboration with BSSN is a strategic step in ensuring the security of state archives, especially amidst the acceleration of the government’s digital transformation. According to him, BSSN’s function in securing state information strongly overlaps with the duties of ANRI’s role in the rescue, preservation, and protection of archives containing various state secrets spanning the ages. “This institutional synergy is expected to create an integrated, focused, and sustainable work pattern in archive management and strengthening cyber and crypto security,” said Mego.
