Menteri ATR/BPN Mendatangi Objek Pemulihan Aset Bersama Direktur Utama *Holding* Perkebunan Nusantara PTPN III (Persero)

Minister of ATR/BPN Visits Asset Recovery Site with President Director of Holding Perkebunan Nusantara PTPN III (Persero)

Pada Kamis (30/03), Menteri ATR/BPN Marsekal TNI (Purn) Hadi Tjahjanto, memberikan apresiasi atas solusi yang ditawarkan PTPN Group dalam menyelesaikan masalah aset lahan di kawasan Gunung Mas, Kecamatan Megamendung, Kabupaten Bogor, Jawa Barat.

Dalam penyelesaian masalah yang dilakukan, PTPN Group tidak hanya memberikan solusi berimbang tetapi juga memerhatikan aspek lingkungan di sekitar lahan. Selain itu, saat ini masih ada puluhan hektar luas lahan PTPN Group yang masih diokupasi oleh masyarakat. Upaya yang dilakukan tetap melalui pendekatan humanis sebagaimana arahan Presiden Joko Widodo dan Menteri BUMN Erick Thohir.

On Thursday (30/03), Minister of ATR/BPN Air Marshal TNI (Ret.) Hadi Tjahjanto expressed appreciation for the solutions offered by the PTPN Group to resolve land asset issues in the Gunung Mas area, Megamendung District, Bogor Regency, West Java.

In the resolution process, the PTPN Group provided balanced solutions and considered environmental aspects around the land. Furthermore, the community still occupies tens of hectares of PTPN Group land. Efforts are being made with a humanistic approach as directed by President Joko Widodo and Minister of SOEs Erick Thohir.

Road Test Bensin Etanol (Bensin Ramah Lingkungan)

Ethanol Gasoline Road Test (Environmentally Friendly Gasoline)

PTPN Group melalui PT Energi Agro Nusantara, bersama PT Pertamina Patra Niaga, Kementerian ESDM Ditjen EBTKE dan Balai Besar Pengujian Migas (LEMIGAS), melepas rombongan *road test* uji coba bensin etanol pada Selasa (6/6) di Surabaya.

Pengujian tersebut dilakukan menggunakan kendaraan Toyota Kijang Innova Reborn matic in line 16 Valve DOHC dual VVT-i (137 Ps @5600RPM) dengan menempuh jarak harian 500 km/hari. Bioetanol merupakan campuran antara BBM konvensional dan nabati etanol yang berasal dari molase tebu hasil produksi PT Energi Agro Nusantara, salah satu anak usaha PTPN Group. Langkah ini sejalan dengan tujuan pemerintah untuk mengurangi ketergantungan minyak berbahan baku fosil.

PTPN Group, through PT Energi Agro Nusantara, together with PT Pertamina Patra Niaga, the Ministry of Energy and Mineral Resources (ESDM) Directorate General of New and Renewable Energy and Energy Conservation (EBTKE), and the Oil and Gas Testing Center (LEMIGAS), conducted a road test convoy of ethanol gasoline trials on Tuesday (6/6), in Surabaya.

The testing was conducted using a Toyota Kijang Innova Reborn automatic inline 16 Valve DOHC dual VVT-i (137 Ps @5600RPM) vehicle covering a daily distance of 500 km. Bioethanol is a mixture of conventional fuels and plant-based ethanol derived from molasses produced by PT Energi Agro Nusantara, a subsidiary of PTPN Group. This initiative aligns with the government's goal to reduce dependence on fossil fuel-based oil.

16 **Juni** | June 16, 2023

Wakil Menteri BUMN I Tinjau Kegiatan Panen Raya Kopi Arabika

Deputy Minister of SOEs I Inspects Arabica Coffee Harvest Event

Kegiatan panen raya kopi arabika PTPN XII ditinjau langsung oleh Pahala Nugraha Mansury Wakil Menteri BUMN I, bersama Khofifah Indar Parawansa Gubernur Jawa Timur, Alue Dohong Wamen KLKH, Abdul Ghani Direktur Utama Holding Perkebunan Nusantara PTPN III (Persero), dan Jatmiko K. Santosa Direktur PTPN V.

Terdapat areal tanaman kopi arabika produktif yang memiliki luas 3.310 hektar, dan diprediksi akan menghasilkan produksi sebanyak 1.300 ton *green bean* kopi pada tahun ini. Pahala juga turut memastikan budidaya Kopi Ijen dilakukan sesuai dengan standar *Good Agricultural Practices* dan standar *Good Manufacturing Practices* sehingga mampu bersaing secara global.

The Arabica coffee harvest event at PTPN XII was directly inspected by Pahala Nugraha Mansury, Deputy Minister of SOEs I, along with Khofifah Indar Parawansa, Governor of East Java, Alue Dohong, Deputy Minister of KLKH, Abdul Ghani, President Director of Holding Perkebunan Nusantara PTPN III (Persero), and Jatmiko K. Santosa, Director of PTPN V.

There is a productive Arabica coffee plantation area covering 3,310 hectares, which is predicted to produce 1,300 tons of green coffee beans this year. Pahala also ensured that Ijen Coffee was cultivated following Good Agricultural Practices and Good Manufacturing Practices standards to compete globally.

Pengapalan Perdana Ekspor Teh Oolong Kerjasama PTPN Group dan Suntory

Inaugural Shipment of Oolong Tea Export Collaboration between PTPN Group and Suntory

PTPN Group berkolaborasi dengan PT Suntory Garuda Beverage melakukan ekspor perdana teh Oolong ke Vietnam untuk Suntory Pepsico Vietnam Beverage. Kolaborasi ini menjadi awal strategis antar kedua korporasi untuk memasok bahan baku berkualitas tinggi bagi minuman *ready-to-drink* (RTD) di seluruh Asia. Selain itu, PTPN juga memperoleh manfaat dari pengetahuan global Suntory dan keahlian sebagai produsen minuman kelas dunia.

Pelepasan ekspor perdana diharapkan membuka peluang bisnis baru bagi PTPN Group, Suntory, dan perusahaan multinasional lainnya, serta membawa manfaat ekonomi bagi negara. Selain itu, mendorong promosi produk-produk teh Indonesia yang berkualitas tinggi ke pasar internasional.

PTPN Group collaborated with PT Suntory Garuda Beverage to export the inaugural shipment of Oolong tea to Vietnam for Suntory Pepsico Vietnam Beverage. This collaboration marks the strategic beginning between the two corporations to supply high-quality raw materials for ready-to-drink (RTD) beverages across Asia. Furthermore, PTPN also benefits from Suntory's global knowledge and expertise as a world-class beverage producer.

The inaugural export release is expected to open new business opportunities for PTPN Group, Suntory, and other multinational companies and bring economic benefits to the country. Moreover, it promotes high-quality Indonesian tea products to the international market.

Penandatanganan Akta *Merger* dan *Spin Off* Pembentukan *Sub Holding* PTPN IV dan Penandatanganan Akta Merger Pembentukan *Sub Holding* PTPN I

Signing of Merger Deed and Spin-Off Formation of PTPN IV Sub-Holding and Signing of Merger Deed for Formation of PTPN I Sub-Holding

Holding Perkebunan Nusantara PTPN III (Persero) resmi mengumumkan terkait penggabungan 13 perusahaan di bawah *Holding* Perkebunan Nusantara, menjadi dua *Sub Holding*, yakni PTPN IV dan PTPN I.

Pembentukan *Subholding* PTPN IV melibatkan penggabungan PT Perkebunan Nusantara (PTPN) V, VI dan XIII ke dalam PTPN IV sebagai *surviving entity* dan pemisahan tidak murni PTPN III (Persero) ke dalam PTPN IV. Sementara *Subholding* PTPN I dibentuk melalui penggabungan PTPN II, VII, VIII, IX, X, XI, XII, dan XIV ke dalam PTPN I.

Holding Perkebunan Nusantara PTPN III (Persero) officially announced the merger of 13 companies under Holding Perkebunan Nusantara into two Sub-Holdings, PTPN IV and PTPN I.

The formation of the PTPN IV Subholding involves the merger of PT Perkebunan Nusantara (PTPN) V, VI, and XIII into PTPN IV as the surviving entity and the non-pure separation of PTPN III (Persero) into PTPN IV. Meanwhile, the PTPN I Subholding is formed by merging PTPN II, VII, VIII, IX, X, XI, XII, and XIV into PTPN I.

Kunjungan Kerja Wakil Menteri BUMN dan Direktur Utama Holding PTPN Tinjau Program Percepatan Gula Nasional

Working Visit of the Deputy Minister of SOEs and President Director of PTPN Holding to Review the National Sugar Acceleration Program

Direktur Utama *Holding* Perkebunan Nusantara PTPN III (Persero) Mohammad Abdul Ghani, mendampingi Wakil Menteri BUMN Kartika Wirjoatmodjo melakukan kunjungan kerja ke kebun HGU Lumajang PTPN I Regional 4 pada Rabu (27/12).

Kunjungan ini dilakukan untuk meninjau pelaksanaan sejumlah program pasca transformasi, serta strategi bisnis PTPN Group dalam mewujudkan percepatan swasembada gula nasional. Kegiatan dimulai dengan peninjauan langsung ke kebun HGU Lumajang dan dilanjutkan dengan prosesi tanam perdana Kebun Benih Datar 24/25.

President Director of Holding Perkebunan Nusantara PTPN III (Persero) Mohammad Abdul Ghani, accompanied by Deputy Minister of SOEs Kartika Wirjoatmodjo, conducted a working visit to Lumajang HGU Plantation of PTPN I Regional 4 on Wednesday (27/12).

This visit was carried out to review the implementation of several post-transformation programs and the business strategy of PTPN Group in achieving national sugar self-sufficiency. The activities began with a direct review of the Lumajang HGU plantation and continued with the inaugural planting process of the Datar 24/25 Seed Garden.
